

# Physician-Assisted Death: A panel discussion

## Palliative Care Interest Group

Join us for our inaugural event!

**What:** A facilitated, interactive panel discussion focused on addressing the historical precedent, ethical dilemmas, and practical considerations related to PAD

**When:** Monday October 22, 2018 from 6-7:30pm

**Where:** Dozoretz Auditorium (Room 2220), Jacobs School of Medicine

**Why:** With PAD approved in several states and a recent NYS bill considering PAD, consideration of the ethics and logistics of this practice is important

**Food:** Pizza will be provided

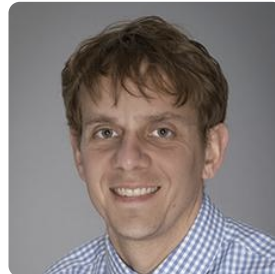

### An introduction to some of our esteemed panelists:

Dr. Kathleen Grimm is a Clinical Assistant Professor of Medicine at the Jacobs School, is on the Board of Directors at ECMC, and is board certified in pediatrics and internal medicine. She serves as the Director of Palliative Medicine at ECMC.

Dr. Robert Milch is board certified in general surgery. He served as the first Medical Director of Hospice Buffalo and as a director of palliative care in the Kaleida Health System. He has been co-chair of the Surgical Palliative Care Workgroup of the ACS and served on the Board of Directors of the Kaleida Health System.

Dr. Philip Reed is a fellow at the University at Buffalo's Romanell Center for Clinical Ethics and the Philosophy of Medicine. He is also an Associate Professor of Philosophy at Canisius College. His primary areas of specialization are ethics and moral psychology.

+ other health care providers and medical students with unique perspectives on palliative care in medicine
