

The Mary Ann Bagus Memorial Scholarship Fund

About the Mary Ann Bagus Memorial Scholarship Fund

The fund was established in 1989 in memory of Mary Ann Bagus, who graduated from the University at Buffalo in 1970 with a Master's degree in Modern Languages. When Bagus passed away in 1987, a portion of her estate was bequeathed to the University to create a scholarship for students with disabilities who demonstrate both financial need and academic excellence. Each year the University awards scholarships to students who best meet the criteria of the fund. One prize of \$1,000 will be awarded as well as a number of smaller awards, depending on the availability of funds. Previous recipients are strongly encouraged to apply again.
