# Looking Back ... Moving Forward TOGETHER, we can make a difference

## STATEWIDE SEFA TREND 2011 – 2015

The statewide giving towards the SEFA campaign is trending down over the past five years. While there could be a number of factors, for example, total number of state employees, one statistic that can help is number of participants. In 2014, there were 23,171 donors; in 2015, the number of donors decreased to 21,772. TOGETHER, let's be the friend someone can call in the middle of the night to help someone in need.

Let's get our participant level to 25,000!

Here's what even small monetary donations can do in our communities:

### For \$2 per pay period, your donation provides

- 312 pounds of food to help a local pantry provide groceries to a family in need;
- A two week supply of diapers to a low-income parent;
- Eight hot meals for a frail senior living alone;
- Emergency shelter and meals for a homeless woman for one night;
- School supplies for up to two children, to allow them to enter school equipped to learn and succeed;
- Five stuffed animals for children participating in a forensic interview following suspected abuse;
- Emergency clothing for five people;
- Home energy conservation materials for 3 low income families;
- Families in Central America establish their own organic vegetable and herb gardens to improve nutrition, and reduce their need for chemicals and fossil fuels;
- The offset of the CO2 emissions of your computer;
- Vaccinations for 80 children against polio;
- Two days of shelter for one animal.

## What is State Employees Federated Appeal (SEFA)?

SEFA is the solicitation of State employees in their workplaces on behalf of approved charities, authorized thru State Law and Regulations and supported by labor and management.

Through SEFA, state employees can support charities of their choice through a single pledge, easily paid through payroll deduction or by check.

State employees continue to make SEFA one of the largest and most successful state workplace philanthropic fundraisers in the United States. Continuing a long-standing tradition of selfless giving, in 2015, State employees contributed over 5.2 million dollars for local and national charitable causes that help our communities, our neighbors and our world.

## Structure of SEFA

SEFA is made up of six regions. In those regions, there are 23 local area campaigns that organize the annual fund raising effort in State workplaces in their respective areas. Each local campaign has a Local Committee, composed of State employees and representatives of labor unions. They are responsible for the oversight of the local SEFA campaign. Each Region appoints two Local Committee members to the Statewide Council which provides guidance and support to the Local Committees. The Office of General Services (OGS) regulates SEFA and provides guidance and oversight.

## The SEFA Charity Book

The Charity Book is a document or web-based display of charities that have met SEFA eligibility requirements. A sample charity listing is shown below with key elements shown in italics. Key elements include: the charities SEFA code, the IRS Business File name is in parentheses after the "doing business as" name, a 25-word statement of purpose, and its administrative and fundraising expense rate (AFR).

## Making Informed Giving Decisions

The information below is included to help you identify charities that meet your interests and performance standards.

### Sample Charity Listing

ABC Charity (Legal Name)  
800-555-5555 EIN# 12-3456789  
*www.abccharity.org* We attack the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. 15.8%  
**50-00567** (Capital Region)

The **Employer Identification Number** (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about a charity from the IRS (877-829-5500). Please Note: Some charities may be covered under an umbrella charities tax exemption status and EIN.

The **Administrative and Fundraising Rate** (AFR) represents the percentage of dollars spent on administering the charity. It is calculated as a percentage of the charities total support and revenue. Donors concerned about an excessive AFR should contact the charity and/or review its IRS Form 990, which is available to the public, for a complete explanation. Each situation is unique. Donors may contact the charity directly and/or industry oversight organizations in order to better understand the financial status, service delivery record and governance policies of the charity before donating.

## Do I Have To Donate Through SEFA?

Participation in SEFA is strictly voluntary. You have the right to not be improperly influenced regarding your decision to give or not to give through SEFA. SEFA also has different ways you may donate anonymously. Please see your local campaign manager or contact your local SEFA Coordinator. You can obtain the local SEFA Coordinator list on the SEFA website at [www.sefanys.org](http://www.sefanys.org).

## Can I Specify Which Charity Will Receive My Contribution?

Yes, SEFA is a donor-designated campaign. By using the code of the charity of your choice, you ensure that your donation goes to meet the needs that *you* feel are most important. Simply designate the charity(s) of your choice where indicated on your pledge form by entering its code and the amount you wish to pledge. Except for documented expenses for the operation of the local region and unfulfilled pledges, all contributions are distributed as designated.

There is no limit to the amount of contributions a charity may receive through SEFA. There is also no limit to the number of participating charities to which you may designate a contribution. To give to more charities than can be added to the pledge form, complete additional pledge forms with your name on them, and staple them together. The top pledge form must contain the sum of all pledges. You cannot designate to a charity that is not listed in the SEFA Charity Book. Adding charities not listed, or "write-ins", is prohibited and donations to such charities will be treated as undesignated funds. In addition, pledges made using anything other than the assigned codes cannot be honored and will be treated as undesignated funds. Any pledges without a valid SEFA code will be considered undesignated. Undesignated funds are distributed proportionally to those charities within a local campaign region that received designated donations.

## What Are Federations and Unaffiliated Charities?

A federation is a charitable organization that provides common fundraising, administrative and management services to its member charities. Member charities may pay dues or fees to that federation as a service charge. Unaffiliated charities are not members of a federation and participate in SEFA on their own.

## What Happens if the Charity I Select Goes Out of Business Before All Funds Have Been Disbursed?

SEFA will disburse funds to designated charities until it is notified that the charity is unable to accept any further funds due to closure. The remaining designation to the charity will be disbursed as undesignated funds.

## What Is The Payroll Deduction Option?

Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Payments on payroll deduction pledges begin on the first pay period beginning in January and conclude with the last pay period in December. You may cancel a payroll deduction at any time during the year by notifying your payroll office in writing. There is no simpler way for you to make good things happen for so many people than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

## Will I Receive A Receipt For My Contribution?

You should keep a copy of your pledge form, as well as your final pay stub (if you made a payroll deduction contribution), as a receipt of your pledge. A State employee who makes a one-time (check or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the charities contributed to, the date of the contribution, and the amount of the contribution. You should consult a tax adviser to determine if additional verification of the donation is required by the IRS.

## What Are The Costs Of The Campaign?

Funds are required to print materials, train volunteers, audit contributions and other administrative duties. All local campaign costs are reviewed and approved by the Local Committee governing the local campaign. On average, this cost is low compared with other fundraising campaigns. Therefore, donating to a charity through SEFA ensures every dollar you pledge goes a very long way toward helping others.

## What Is ePledging?

In general terms, ePledging means that donors have the additional pledging tools of the charity book and pledge form available to them online. Currently, several local campaigns offer the online charity book and secure pledge transactions. This paperless process is one way SEFA is striving to "go green" and reduce administrative costs related to the processing of pledges. Please visit [www.sefanys.org](http://www.sefanys.org) to see if your campaign area participates in ePledge.

**A Different Way In Reading Center, Inc.**

 Your gift to SEFA charities will help your neighbors, your community and your world. Thank you for your generosity.*

**THANK YOU FOR YOUR GENEROSITY**

July 2016

Dear Colleagues:

Our members have a proud tradition of supporting the State Employees Federated Appeal (SEFA). This year, our union members have the opportunity again to donate through SEFA to meet the needs of our members, their families and the communities in which they live.

We all know that it is increasingly difficult for working families and families in need to make ends meet, especially when they are facing other challenges such as addiction, abuse, hunger, homelessness or caring for ill or elderly loved ones.

By making your donation you can make a difference in someone's life or in your own community. One by one, these contributions build our social network, and will help change our state and country for the better. Your support of the SEFA campaign is one more way to show that public employees not only do the job better, but are willing to meet the challenge of changing lives and improving our communities.

We know that no family is immune from the challenges that all working families face on a daily basis. Your support for SEFA ensures that the most important agencies and programs in all our communities have the resources necessary to help our friends, neighbors and family members get the help and support that they need to build a better future and a more vibrant community.

It is for these reasons that your support is so critically important.

If you have never donated through SEFA, please consider a gift this year. If you are a SEFA donor, thank you and please consider increasing your gift by a dollar or two per pay period. Also, please step forward to be a SEFA volunteer to help make this the best SEFA campaign ever.

In Union,

Mario Cilento, President  
New York State AFL-CIO

Danny Donohue, President, CSEA

Michael Powers, President, NYSCOPBA

Karen Magee, President, NYSUT

Barbara Zaron, President, NYS OMCE

Peter Barry, President, PBA of NYS

Wayne Spence, President, PEF

Fred Kowal, President, UUP

# THANK YOU!
