

UB Assessment Day Table Top Exercise

Facilitators Guide

Instructions:

- Once people are seated at your table please distribute the “UB Assessment Day Table Top Exercise” 2-sided handout and an additional raffle ticket
- Have each person review the data as they are eating
- As a table determine:
 - 1 key data point you would pull from this data to share with colleagues
 - 1 action step you would recommend based on the data point
 - 1 suggestion for future “data digging” or more information related to the topic (optional)
- Please have this complete no later than 12:45
- Please record what you table concluded below and return it to the registration table before you leave. We will be compiling all of the responses together and distributing to attendees following the end of the day

1 key data point you would pull from this data to share with colleagues:

1 action step you would recommend based on the data point

1 suggestion for future “data digging” or more information related to the topic (optional)
