

Do It Yourself UB Photo Prop

Instructions:

1. Print out your DIY photo prop.
2. Fold paper on the fold line so that the images are mirrored back to back.
3. Cut around the dotted lines.
4. Once cut, place your straw, popsicle stick, pen, pencil or chopstick against center or outer edge and glue together.
5. Take pictures with your photo prop and post on social media using **#UBClassof2020!**
