Do It Yourself UB Photo Prop

Instructions:

- 1. Print out your DIY photo prop.
- 2. Fold paper on the fold line so that the images are mirrored back to back.
- 3. Cut around the dotted lines.
- 4. Once cut, place your straw, popsicle stick, pen, pencil or chopstick against the inner fold and glue together.
- 5. Take pictures with your photo prop and use **#UBClassOf2022** when posting on social media!
