Please obtain the signatures below only if your group is working on a faculty-led project, as indicated in the Project Profile. Signatures for the financial administrator and chair should come from the mentor's academic department.

Mentor's Signature

I understand that by signing this application, I am acknowledging that the above-mentioned students are conducting a project under my supervision.

I am aware that my department chair holds final approval of directing all fund transfers and that the department chair may either approve or deny funds being sent to a faculty account, or can supply auxiliary account information for funds to be deposited into. I also agree to assist with obtaining the chair's signature.

I have read the students' application for accuracy of content-specific information as related to our field of study. If IRB approval is necessary for the project, I attest that any student working with human or animal subjects has obtained IRB project approval and has completed the CITI training requirements.

Department Chair's Signature

As department chair, I understand that by signing this form I acknowledge that the above-mentioned students are conducting a project with a faculty member in the department I currently oversee. I have also noted the proposed expenditures and confirm that the funds are not being requested to build out faculty laboratories or equipment, but are instead directly supporting student projects. I understand that I will be notified of the funding decision and that a faculty/staff member in my department may receive the funds in the account listed above, should the application be approved. Funds will be used as outlined in the approved budget.

If you wish to provide a different account for the transfer of funds, please list the alternative account information below. Final funding account preference will be given to the department chair.
