Project Description

In terms comprehensible to a non-specialist in your field, please clearly explain your methods, outlining what you will be doing over the course of the project and how.

Address each prompt below when writing your project description:

- What need or challenge will your project address?
- What product or output will result from your project?
- What are the broader impacts of this project (i.e. relationship to larger issues in the world, outcomes being useful in other contexts, etc.?)
- If you are working in a group, what specific tasks will each person be responsible for?

Budget and Funding Justification

Instructions for creating an itemized budget:

- Itemize the various expenses for which funds are requested, including materials, equipment, etc. Be as specific as possible.
- Provide the exact link to the vendor for each budget item, if available (instead of www.amazon.com, use <https://amzn.to/2xPNE56> to go directly to the item's page).
- Describe why each budget item is necessary and essential to the project. **Items without written justification will not be considered.**

Use the following format to outline your budget:

- Item name, cost of item, description of need, link to item
- Item name, cost of item, description of need, link to item

Please note the following details:

- Requested funds must directly support undergraduate student projects. Examples of appropriate budget items include project materials, equipment and travel. All equipment and unused consumable material must be returned to your mentor upon completion of the project.
- The maximum funding allowed from ELN is \$750 for individuals and \$1,000 for groups. If your funding needs exceed the maximum allowed from ELN, please describe your other sources of funding in the section below.

Itemized Budget and Item Descriptions. For each item, you must include the cost, why it is necessary, and a link to the item. *

Next Steps

You are about to submit a Project Funding application. Once you submit the application, please submit the appropriate signature form from the [ELN Funding website](#). **Your application is not complete** until you submit both an application and the signature form by the funding deadline.

After the funding deadline, the ELN staff will review all applications and email you directly with a funding decision. This can take 1-2 weeks, depending on the volume of submissions. After funding decisions are announced, the transfer of funds may take several weeks to be finalized.
