UBEOC ALUMNI NEWSLETTER

2015 DISTINGUISHED ALUMNI AWARDEE

Tedros Teklzghi is a testament to the adage, "hard work pays off" and of the University at Buffalo Educational Opportunity Center's (UBEOC) mission of lifelong learning. An Eritrean refugee when he came to the United States in 1991, he wholeheartedly embraced and now embodies the American Dream. Tedros initially relocated to San Francisco and worked as a Walgreens Drugstore Cashier. He visited Buffalo upon the invitation of his friend who was attending the UBEOC. Seeing opportunity here, Tedros later moved to Buffalo and in 1994 enrolled in the UBEOC English as a Second Language (ESL) program.

Tedros worked diligently learning the language while assimilating to a new culture. Upon completing the ESL program, he enrolled in and graduated from the UBEOC College Preparation program in 1995. Tedros attended Erie Community College (ECC) and acquired an Associates of Science degree in Computer Information Systems and was hired as a Computer Technician. While working at ECC for two years, Tedros enrolled at Buffalo State College in the Computer Information System program and as a student, worked as a Computer Consultant. He graduated with his Bachelors of Science in Computer Information Systems in 2000.

Having earned his college credential, Tedros was hired as a User Support Technician at the University at Buffalo (UB) Law School. He was promoted to Manager of the Computer Lab and presently works as the UB Law School System Administrator.

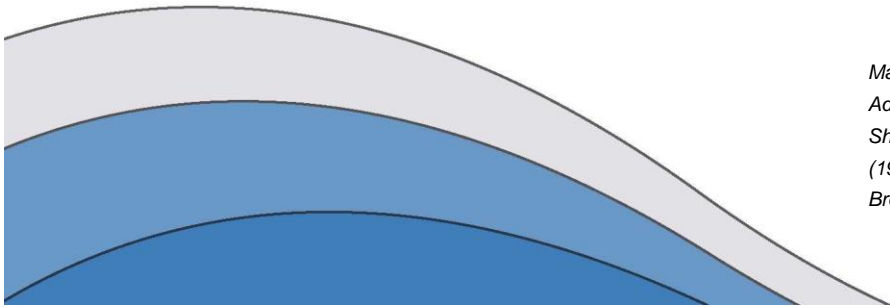

Tedros is married and has 2 children. (He met his "wife" at UBEOC)! An active community supporter, he coordinates a volunteer ministry group,

offering services for North Collins Correctional Facility inmates. He also serves in a decision making capacity in the community to enhance opportunity for the Buffalo Eritrean population.

UBEOC Class of 1975*

Zola Lowery Crowell reflects how she was erroneously placed in special education classes from first through twelfth grade and how she learned to live with that stigma. Until she came to UBEOC that is. "EOC gave me the courage to move beyond the falsehood". Zola grew up in Andalusia, AL and Niagara Falls, NY and worked as a Postal Clerk, Nursing Aide and Secretary. At UBEOC she earned her high

school equivalency diploma, took college preparation courses and then attended Millard Fillmore and Empire State Colleges. She retired from the Federal Government as an Administrative Assistant at Buffalo Veteran's Hospital. Zola's service to community is vast and includes the Niagara Falls Chapter of the Links, Association of Black Social Workers, Harriet Tubman 300's, Black Pioneers of the Niagara Frontier, American Business Women's Association and the First Shiloh Baptist Church. Presently she is a Charlotte, NC Chapter of the Links member, a venue through which she met former United Nations Secretary-General Kofi Annan and former British Prime Minister Tony Blair at a United Nations Gala. Zola has been recognized by the Library of Congress and the National Trust for Historic Preservation in Washington, DC for her genealogical transcript of her Great-Great Grandmother, Charity Butler, who was born into slavery in the 1850's.

"Buffalo EOC was my lifeline. Because EOC believed in me, I developed my own resolve to succeed and help others in need"
