RE: Faculty Senate Resolution: To add the UB faculty Senate Chair and the Chair of the UB Faculty Senate Budget Priorities Committee to the UB Provost's regular Deans meetings and Annual Resource Planning meetings

I am in receipt of the Faculty Senate Resolution to add the UB Faculty Senate Chair and Chair of the Budget Priorities Committee to the UB Provost's Regular Deans Meetings and Annual Resource Planning meetings.

As you know, there are distinctions between functions and responsibilities of university management and Faculty Senate (governance). The meetings of the deans, including the annual resource planning meetings, are a function of the provost's and deans' management responsibilities as university administrators.

As appropriate, for many years, university administration has included the Faculty Senate Chair in Senior Leadership Retreats, which has served as a forum to gauge our institutional progress on achieving our institutional goals. We will continue to invite the Faculty Senate Chair to the Senior Leadership Retreat.

Thank you for forwarding your request and resolution.
