<p><b>Major Objectives:</b> None</p>
<p><b>Emerging Objectives:</b></p> <p>The faculty Senate Engagement Committee Chair (M Hatton) recognizes the seminal efforts that the current Faculty Senate Chair (Dr. Philip Glick) has provided to change the UB Senate's culture for the better. He has fostered greater participation by both faculty and professional staff with forward thinking ideas and has vastly improved the UB Senate workings. It is the opinion of the Engagement Committee Chair that Dr. Glick has adopted all of this Committee's initiatives, the result of which has been an enthusiasm for governance by all UB Senators and Professional Staff.</p>
