

## Academic Calendars with January Intersessions

Seven University at Buffalo basic academic calendars are proposed to replace the current basic academic calendars, adding January Intersessions. Each of the 7 calendars includes Summer Sessions, Fall Semesters, January Intersessions, Spring Semesters, and Spring Semesters for Leap Years. They are sequential: Calendar 1 through Calendar 7 and return to Calendar 1, *i.e.*, the schedule of Calendar 1 is followed by the schedule of Calendar 2, Calendar 2 by Calendar 3, *etc.* If Calendar  $x$  is for a leap year, however, the next calendar is Calendar  $x + 2$ .

### Calendars Principal Features

1. All schedule a 3-week January Intersession of 14 class days with at least 2 weekday class days in the opening and closing weeks. All begin as soon after New Year's Day as feasible. All have 4 class days in their 3<sup>rd</sup> week to observe Martin Luther King Day. [*Cf.* Alternate Calendars — Appendices 1, 2, *infra*, for alternatives and additional comments on Intersessions scheduling.]
2. Fall Semester schedules repeat the current UB basic academic calendars.
3. Fall and Spring Semesters have 14 class weeks and an exam week.
4. Summer Sessions I, II and III are 6-week sessions [*cf.* 8. Summer Sessions Holiday Impacts *infra*].
5. Session Date Ranges:
  - Summer Sessions begin Tuesdays after Memorial Day, 26 May - 1 June
  - Summer Sessions end Fridays, 14 - 20 August
  - Fall Semesters begin Mondays preceding Labor Day, 25 - 31 August
  - Fall Semester exams end Mondays, 15 - 21 December
  - January Intersessions begin 3 - 6 January
  - January Intersessions end 21 - 24 January
  - Spring Semesters begin Mondays, 24 - 30 January
  - Spring Semester exams end Saturdays, 14 - 20 May
  - Commencement closes Sundays, 15 - 21 May
6. Recesses and Holidays:
  - Memorial Day — 25 - 31 May
  - Independence Day — 4 July
  - Labor Day — 1 - 7 September
  - Fall Recesses begin Wednesdays of Thanksgiving week, 21 - 27 November. Calendars 1, 2, 3, 4 and 7 have 2 class weeks and an exam week after this recess; Calendars 5 and 6 have 1 class week and an exam week after this recess.
  - Winter Recesses begin Tuesdays, 16 - 22 December
  - Martin Luther King Day — 15 - 21 January
  - Spring Recesses begin Mondays, 13 - 20 March, following the 7<sup>th</sup> class week
7. Intervals between Sessions:
  - Summer Sessions – Fall Semesters — Calendars 1 through 6 Fall Semesters begin 1 week after the end of preceding Summer Sessions. Calendar 7 Fall Semesters begin 2 weeks after the end of preceding Summer Sessions.
  - January Intersessions – Spring Semesters — each Spring Semester begins the Monday following the last January Intersession class day. Calendars 1, 5, 6 and 7 end Intersessions Friday and begin Spring Semesters Monday. Calendars 2 through 4 end Intersessions Tuesday or Wednesday and begin Spring Semesters the following Monday.
  - Spring Semesters – Summer Sessions — Calendars 1 and 2 Summer Sessions begin 2 weeks after the end of preceding Spring Semester exams [this also applies for preceding leap year Spring Semesters]. Calendars 3 through 7 Summer Sessions begin 1 week after the end of preceding

**University at Buffalo — Academic Calendars with January Intersessions**  
21 January 2013

Spring Semester exams. [*Cf.* Alternate Calendars — Appendices 1, 2, *infra*, for modification if Calendar 1A replaces Calendar 1.]

8. Summer Sessions Holidays: In all Calendars Summer Sessions I, Summer Sessions 9 Weeks and Summer Sessions 12 Weeks lose 1 class day to Memorial Day; in most Calendars they lose a 2<sup>nd</sup> to Independence Day. Summer Sessions II loses 1 class day to Independence Day in most Calendars. Summer Sessions III loses none.

**Alternate Calendars — Appendices 1, 2**

**Appendix 1, Calendar 1A:**

Calendar 1A is a feasible alternate to Calendar 1. Calendars 1A and 1 are side by side [p. 7] for ease of comparison.

Calendar 1A Intersessions begin Wednesdays, 5 January, end Tuesdays, 25 January; Spring Semesters begin Mondays, 31 January, exams end Saturdays, 21 May; Commencements close Sundays, 22 May, 1 week before Memorial Day, 30 May. Calendar 1A has the latest Spring Semester 1<sup>st</sup> class day, exams end day, and Commencements. This schedule reduces the interval between Spring Semesters and subsequent Summer Sessions to 1 week. If 1A is adopted in place of 1, only Calendar 7 has 2-week intervals between its Spring Semesters and subsequent Summer Sessions.

Calendar 1 Intersessions begin Mondays, 3 January, following New Year's Day weekend to meet the requirements to begin Intersessions immediately after New Year's Day while having at least 2 weekday class days in the opening and closing weeks. Intersessions end Fridays, 21 January, and Spring Semesters begin Mondays, 24 January. Commencements close Sundays, 15 May. This schedule is 1 of 2 having 2-week intervals between Spring Semesters and subsequent Summer Sessions.

**Appendix 2, Calendars 2A and 3A:**

Calendars 2A and 3A are included [p. 8] for information; neither is recommended. Calendars 2A and 3A meet the requirements to begin Intersessions immediately after New Year's Day while having at least 2 weekday class days in the opening and closing weeks. New Year's Day at the beginning of the 1<sup>st</sup> Intersessions week — 2A Sunday, 3A Monday — has negative consequences for both.

1. Calendar 2A schedules Intersessions Monday, 2 January – Friday, 20 January. New Year's Day Sunday sets Monday, 2 January, the 1<sup>st</sup> class day, as an official holiday.
2. Calendar 3A schedules Intersessions Tuesday, 2 January – Friday, 19 January. While Tuesday, 2 January, the 1<sup>st</sup> class day, is not an official holiday, it is often so regarded and considered. An additional shortcoming of this schedule: New Year's Day Monday reduces this Intersession to 13 class days, observing Martin Luther King Day, 15 January.

21 January 2013
