Balancing Act
An interactive dance installation embodying the human microbiome

Performances June 2, 3, 9 & 10 at 11am, 12pm, 1pm & 2pm
at the Buffalo Museum of Science
Presented by Anne Burnidge Dance
with Collaborators: Eric Burlingame, Carlie Todoro-Rickus, Monica Karwan and Collin Ranney

Dancers: Courtney Barrow, Elyssa Bourke, Alexia Buono, Stephani Foraker, Nancy Hughes, Rachel Keane, Brooke Laura, Michaela Neild and Cynthia Pegado

Explore and interact with performers as they dance with yogurt, sing a love song about bacteria, dig in the dirt, and reveal the inner workings of the millions of microscopic friends who call the human body home.

Included with the price of admission to the Buffalo Museum of Science, 1020 Humboldt Pkwy, Buffalo, NY
