Estimated Budget for International Undergraduate Students

TUITION ¹	\$24,740
FEES (including health insurance) ²	\$6,005
ROOM AND BOARD ³	<u>\$16,415</u>
ESTIMATED TOTAL (per year of study)	\$47,160 (\$48,160 for Business/Management students; see note below.)

¹Tuition indicated above is the 2020-21 tuition rate for the academic year only (September–May). Tuition and fees are subject to change. Tuition can increase annually (but doesn't always). The above tuition is for Fall and Spring semesters and is based on the "flat tuition" model where the cost is the same for 12 or more credits (it is not per credit). Summer and Winter session tuition and fees are not included above; Summer and Winter tuition is charged per credit (if the student chooses to study in summer or winter); undergraduate tuition and fees are approximately \$1,200 per credit hour.

²School of Management undergraduate students have additional fees in the amount of approximately \$1,000 per year; Business/Management students should add \$1,000 to the estimated budget above. Please note that Health insurance covers the full calendar year.

³Minimum allowance for the least expensive on-campus housing and food costs for the Fall and Spring semesters (one academic year); Summer and Winter sessions and school breaks are not included (if the student were to live on campus in those periods). Students choosing to live off campus must document the same amount even though actual costs may be higher or lower. The university estimates that students will need an additional \$1,500 for books and supplies, and \$1,500 for personal expenses and incidental costs.

The above figures are estimated costs and are subject to change without notice. Total costs typically increase 5% per annum.
