## Become a Recreation Member

A wide variety of programs are offered for our Students, Faculty, Staff and Alumni as well as the general community. A Recreation Membership will include access to the Recreation Facilities on North and South Campus.

On North Campus, Alumni Arena is a world class facility that houses the university's NCAA Division I sports teams and faculty. It also boasts an Olympic-sized swimming pool, 1/6 mile indoor track, a 6,900 sq. ft. fitness center, locker rooms equipped with a sauna and steam room, racquetball courts, as well as three full-length basketball courts. If you venture to South Campus, you will find our other facility, Clark Hall. It was constructed as the Irwin B. Clark Memorial Gymnasium in 1937 and is three stories tall with a full basement. Clark Hall is equipped with a fitness center, cardio room, locker rooms, main gym and a 25-meter swimming pool.

During specific hours, you can utilize the swimming pools, various gym spaces, fitness centers and programming offered at both Alumni Arena and Clark Hall. Open Gym time can be used to play basketball, badminton, soccer and a variety of other activities. Real time schedules can be found on our website.

**Visit us at Member Services at Alumni Arena or Clark Hall to sign-up today!**

# Break Hours Begin December 11<sup>th</sup>

The Fall 2021 semester is coming to a close! Winter Break brings changes in facility hours and closures for the holiday season. Soon the students will depart for winter break and Recreation hours will change due to this quiet time of year.

Winter Break Hours will begin on Saturday, 12/11, continuing through the New Year, and ending when the Spring semester begins on Monday, 1/31/22. During the Winter Break, all areas of recreation are open, but we will have slight changes in the exact times we are opened for recreational use. **Recreation will shutdown operations completely, right around the holidays, from Wednesday, 12/23/21 - Sunday, 1/2/22.**

Our UB Bulls continue to shine this year across many sports. Women's Basketball, Men's Basketball, and Wrestling will host home events several times during the month of December. Most of the home events take place right around the holidays, so take those visiting family members to a game and support your UB Bulls! Due to events taking place in and around Alumni Arena during December, parking will be limited on certain dates.
