& RENEW Institute Present

Indigenous Films for Indigenous Peoples Week

Featuring:

Saging the World

Join us, in person or on Zoom, for a screening of *Saging the World*. This short documentary was produced by Rose Ramirez, Deborah Small, and the California Native Plant Society to foster awareness and inspire action for white sage. There will be a reception at 6:00pm and the film screening will begin at 7:00pm. A Q&A session will immediately follow the film.

Thursday, October 5th
Catered Reception 6:00 PM
Film Screening 7:00 PM
