# Pathways Worksheet Directions

## Pathways need to meet the following criteria:

1. You will need to complete two Pathways (one Global, one Thematic).
  2. Each Pathway should consist of courses chosen from the list of approved topics found in the Path Finder (at [myub.buffalo.edu/path\\_finder](http://myub.buffalo.edu/path_finder)). One course should be chosen from each course list associated with your desired topic.
  3. Courses within each Pathway must be from at least 2 different subject areas unless the topic and courses are from the Language and Cultures track. For example, all 3 courses cannot be from Psychology (course subject: PSY).
  4. When completing each Pathway, you are required to cover at least 2 different UB Areas.
    - a. The Thematic Pathway courses should cover 2 different UB Areas than those covered by the Global Pathway. This means in total you will complete at least 4 UB Areas via your Pathways.
- (\*Some courses are approved for more than 1 UB Area to maximize your choice and flexibility)

## Applicable Transfer Coursework may be used to meet portions of your Pathways requirement:

For courses in Lists 1 & 2, transfer courses may be substituted if they have a SUNY General Education Requirement (GER) in the same category as one of the UB courses in the list.

- The Transfer course must be greater than 2.6 credit hours or one of the following:
  - TR 999TRAMH - SUNY GE American History
  - TR 999TRART - SUNY GE Arts
  - TR 999TRFL - SUNY GE Foreign Language
  - TR 999TRHUM - SUNY GE Humanities
  - TR 999TROWC - SUNY GE Other World Civilization
  - TR 999TRSS - SUNY GE Social Science
  - TR 999TRWC - SUNY GE Western Civilization

*Refer to your Transfer Credit Report to view how your previous coursework has transferred to UB*

**For example:** Ancient Civilizations Pathway: Course List 1 has “AHI 105: Mythology in the Ancient World,” which fulfills the Arts UB Area. For your course from Course List 1, you may use any transfer courses that fulfill the Arts SUNY GER.

## Please refer to the following chart to see how transferred GERs meet UB Areas:

Transfer courses with the following SUNY GERs:	Can be used in Course Lists with the following UB Area:
Arts	Arts
Humanities	Humanities
Social Sciences	Social Sciences
Foreign Language (for all tracks except Language and Culture)	Language (for all tracks except Language and Culture)
Other World Civilizations	Civilization and History
Western Civilizations	Civilization and History
American History	Civilization and History

*\*Please note: If you are using Applicable Transfer Course Work, you may use Other World Civilizations, Western Civilizations, and American History I/II each separately towards your 4 different UB Areas, however you cannot use them in combination with a UB Course that only meets Civilization and History.*

- Course selection from List 3 must be a UB course or a transfer course with a direct articulation, equivalent to the UB course listed. To see if you have directly articulated coursework, visit [Taurus \(Transfer Articulation and University Requirements at UB System\)](#).
  - For courses in the Language & Culture track, only transfer courses which articulate directly to a course in one of the lists can be used.

**For more information on how transfer coursework is utilized within the UB Curriculum visit:**
