The Pathways are a requirement of the UB Curriculum.
For more information, see: http://www.buffalo.edu/ubcurriculum/pathways.html

Pathways need to meet the following criteria:
1. You will need to complete two Pathways (one Thematic, one Global).
2. Each Pathway should consist of courses chosen from the list of approved topics found in the Path Finder (at myub.buffalo.edu/path_finder). One course should be chosen from each course list associated with your desired topic.
3. Courses within each Pathway must be from at least 2 different subject areas unless the topic and courses are from the Language and Cultures track. For example, all 3 courses cannot be from Psychology (course subject: PSY).
4. When completing each Pathway, you are required to cover at least 2 different UB Areas.
5. The Thematic Pathway courses should cover 2 different UB Areas than those covered by the Global Pathway. This means in total you will complete at least 4 UB Areas via your Pathways.

(*Some courses are approved for more than 1 UB Area to maximize your choice and flexibility)
